CLOSING CHALLENGE – LIST, DRAW, PRAY	18

Pray that God will help you remember what you’ve learned through prayer for others and continue to pray throughout the year.

Think about the top three lessons you've learned this week in praying for missions around the world. Write down one word that describes each of these lessons. Now, draw a picture that shows these important lessons, and include your three words in your drawing.

INTRODUCTION

What is the Global Week of Prayer?

It is a week when Nazarenes around the world take time each day to talk to God, give thanks, and pray for an area of the world where our church is present and active.

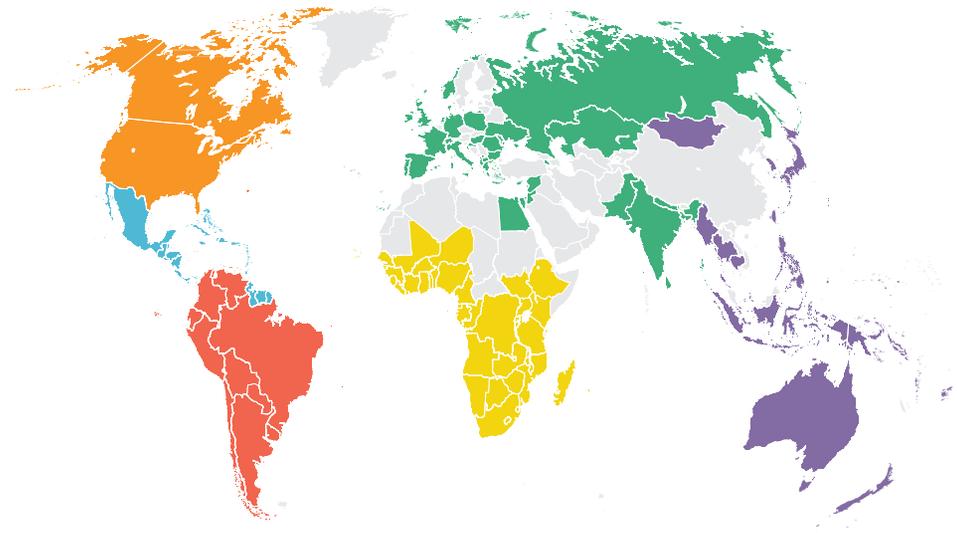

How did it get started?

Prayer is important, and the church around the world understands that we need to pray that God will expand his kingdom with our help. The World Day of Prayer began in 1887 on the first Friday in March. Since then, people around the world have prayed for missions on that day.

When the Church of the Nazarene joined together with other Christians for this purpose, we also saw the need to make this a week-long focus on prayer for missions. We give thanks for all that God has done in and through our church around the world. And we also pray together for our Nazarene Missions family everywhere. You can pray for missions and use this packet throughout the year, but let's start right now during this special week.

In this packet, you will see how God is at work through the Church of the Nazarene. Each day, we will pray for one of our six regions around the world. What region are you a part of?
